

# *Our Learning Adventure*

## Spring Term1

In nursery, we talk to the children about 'going on an adventure'. This relates to the learning that they will be doing through their play. This term we will be going on the following adventures:

This half term we will be looking at 'Who are our heroes and why? We will be talking about our everyday heroes, as well as super heroes. We will look at the different jobs that people do and how they are all important. You could talk to your child about what jobs your family, friends and yourselves do. You could share pictures of this with us on Tapestry.

Our core story this half term is 'Goldilocks and the Three Bears'. We will be thinking about what happens in the story and how the characters may feel. You could act out the story with your child at home.

We will also be learning the 'Goldilocks' song. You can access this at <https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-when-goldilocks-went-to-the-house-of-the-bears/zbkrf4j>

We will be talking to the children about how we stay safe online. We will be introducing 'Smartie the Penguin', who's adventures will make us think about how we can stay safe and what we should do if we know that there is something wrong. Below is the link to the Smartie stories. You could read them to your child and learn the Staying Safe song.

The nursery will be taking part in the 'Big School's Bird Watch' during January. We will be looking at what birds will be visiting our outdoor area. You could look at what birds visit your garden at home, or what birds you can see on the way to nursery. You could take a photo of the birds that you are not sure of the name of and post the on Tapestry for us to talk to the children about

Don't forget that you can tell us about what your child is are learning at home using
